Objectives

- 01** Understand the nature and scope of the hazard
- 02** Identify potential legal liabilities
- 03** Develop employer action plans

**Understand the
nature and scope of
the hazard**

Coronavirus (COVID-19)

- Infection through close contact through coughing and sneezing, as well as possibly through touching surfaces that has the virus on it
- Believed that it is most contagious when individuals are most symptomatic, although reports that it may spread when people do not show symptoms
- Disease and death in humans
 - Fever;
 - Cough;
 - Shortness of breath; and
 - Death
 - Fatality rate less than 2% as of 2/29/2020
 - Majority of deaths in China
- 2 to 14 day incubation period
- No vaccination to prevent COVID-19

Prevention tips for your workforce

- Practice good hygiene (cover coughs, avoid close contact with those who are sick, avoid touching your eyes, nose, and mouth, wash hands with soap and water)
- Frequently clean and disinfect surfaces with household cleaning spray or wipe
- Facemasks
 - CDC does not recommend that people who are well wear a facemask
 - Facemasks should be used by people who show symptoms to help stop the spread of the virus
 - Facemasks are crucial for health workers and people taking care of someone in close settings (home / health care facility)

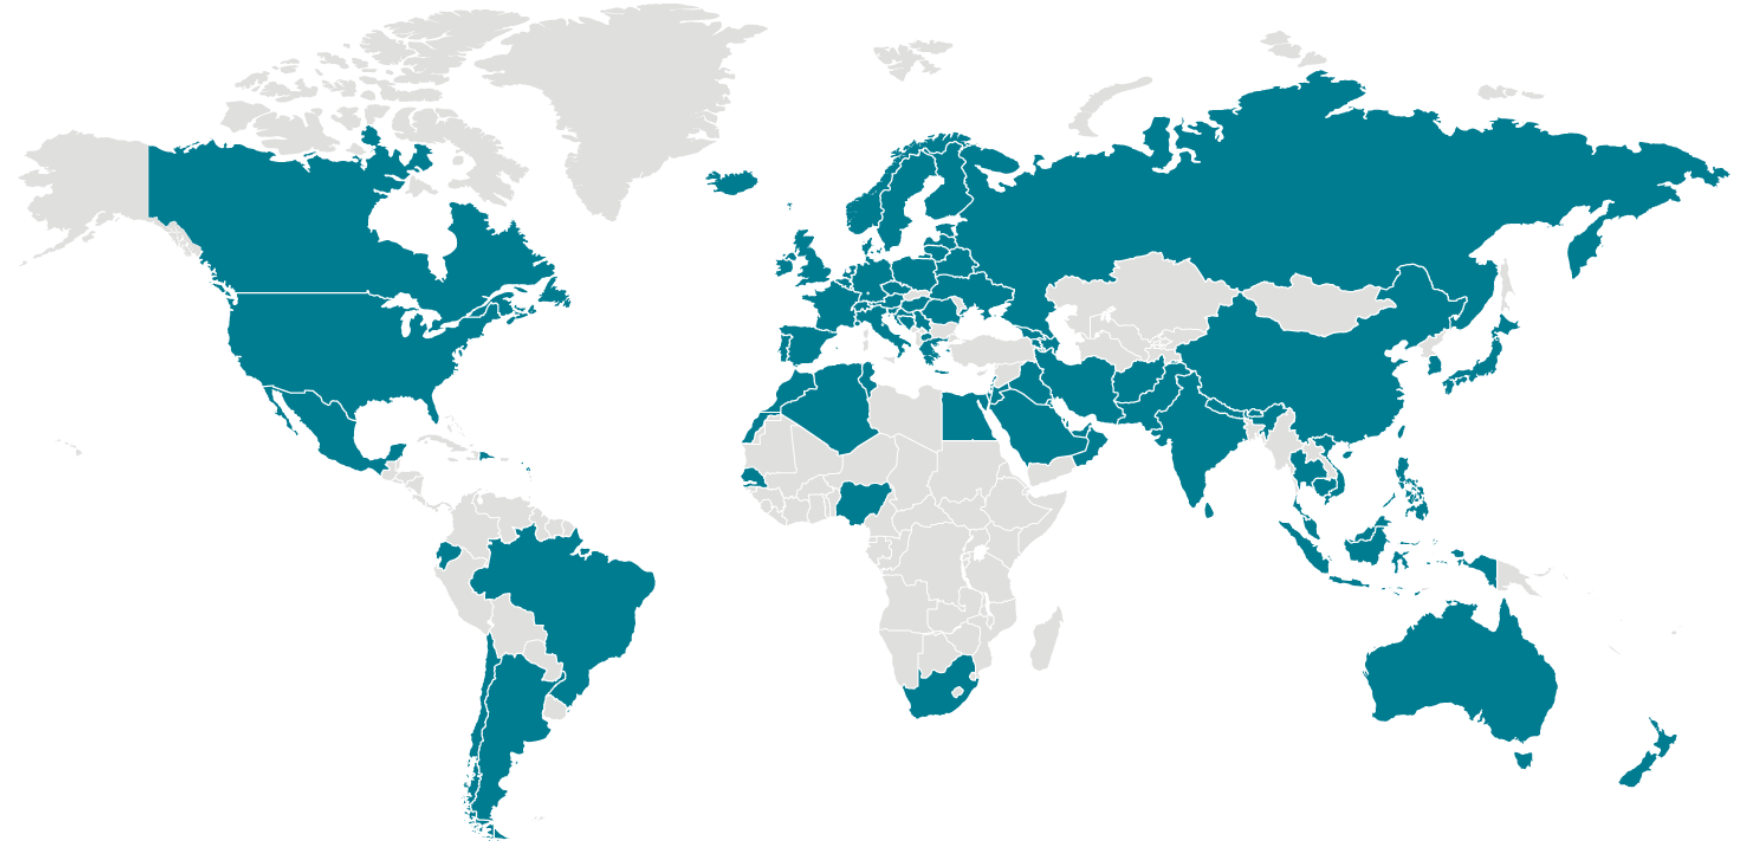

Locations with Confirmed COVID-19 Cases – Global Map

More than 100,000 confirmed cases, with nearly 3,584 deaths (as of 3/8/2020)

Up from 87,000 confirmed cases and 3,000 deaths since our last presentation (3/1/2020)

Virus has spread to six of seven continents and over 100 countries

China, Iran, Italy, South Korea, and Japan significantly impacted

Source: Centers for Disease Control (<https://www.cdc.gov/coronavirus/2019-ncov/locations-confirmed-cases.html>) As of 3/6/2020

Coronavirus Spread in the US

- First confirmed American infection on January 21, 2020
- 566 confirmed cases (as of 3/9/2020)
- 22 fatalities (as of 3/9/2020)

Confirmed or presumptive positive cases:

- Arizona
- California
- Colorado
- Florida
- Georgia
- Illinois
- Maryland
- Massachusetts
- Nevada
- New Hampshire
- New Jersey
- New York
- North Carolina
- Oregon
- Rhode Island
- Tennessee
- Texas
- Washington
- Wisconsin

State of emergency declared in California, Florida, Indiana, Kentucky, Maryland, New York, Oregon, Pennsylvania, Utah, Washington

White House Proclamation

- **“Proclamation on Suspension of Entry as Immigrants and Nonimmigrants of Persons who Pose a Risk of Transmitting 2019 Novel Coronavirus”**
 - Issued January 31, 2020
- Suspends entry into the United States of **people who were physically present within the People’s Republic of China, excluding the Special Administrative Regions of Hong Kong and Macau, during the 14-day period preceding their attempted entry into the United States**
 - Does not apply to:
 - US citizens; permanent residents; some parents, legal guardians, siblings, children of US citizens or permanent residents; air or sea crew; persons transiting under specific types of government visas.
 - Any person whose entry would *not* pose a significant risk of introducing, transmitting, or spreading the virus, as determined by the CDC Director or his designee.

Also addresses DHS medical screening and quarantine of all other persons who enter the United States and who may have been exposed to coronavirus, including directing air carriers to regulate the boarding of such passengers on flights to the United States

**Identify potential
legal liabilities**

Occupational Safety and Health Act (OSHA)

- Potential use of “General Duty” clause for a “recognized hazard” to employee safety and health
- Reliance upon CDC, NIOSH as authority
- Potential liability for citations and monetary penalties

Occupational Safety and Health Act (OSHA)

- Conduct “hazard assessment” for potential exposures (e.g., occupational activities involving potential exposures – e.g., travel, healthcare transportation)
- Develop an action plan:
 - hazard identification
 - hazard prevention procedures
 - employee training
 - medical monitoring surveillance
 - recordkeeping (OSHA 300 Log, etc.)

Worker's Compensation

- Worker's compensation if “arising out of and in course of employment”
- Reasonable and necessary medical care
- Temporary total disability benefits
- Permanent disability, if any
- Engage competent medical professional (infectious disease) to advise

Disability Benefits

If provided by
contract

Review limits of
coverage

Competent medical
assistance to
administer program

Family and Medical Leave Act (FMLA)

- 50 or more employees within a 75 mile radius
- 12 weeks unpaid leave in 12 month period (for qualifying reasons)
- Serious health condition of employee or covered family member is a qualifying reason under the FMLA
- FMLA runs concurrent with WC
- Job reinstatement rights
- Quarantine issues if infected
- State law may provide additional leave and time off benefits and rights
 - Unpaid State FML Laws
 - Paid State FML Laws
 - State and Local Paid Sick Leave Laws

Americans with Disabilities (ADA)

- Qualified individual with a disability protected from discrimination
- Employee may develop a disability from Coronavirus or aggravate a pre-existing disability
- Employee may be entitled to a reasonable accommodation, provided it does not cause an undue hardship or direct threat to health and safety
 - Possible accommodations
 - Work from home or telecommute
 - Leave
 - Reduced Schedule upon return to work
 - No travel

See also EEOC Guidance

https://www.eeoc.gov/facts/pandemic_flu.html

Return to Work

- Medical Documentation
- Fitness for Duty
- On-going follow-up
- Inquiries from co-workers

Premises Liability

- Landowner/employer duty to protect visitors to premises from hazards which are not “open and obvious”
- Potential health hazard in building, e.g., ventilation system, washroom facilities, cafeteria, etc.
- May require notice to tenants, visitors of known infection events
- Review leases and related agreements (e.g., sanitation, building maintenance)

**Develop employer
action plans**

Employer Action Plan

- Sanitation
- Communication
- Recordkeeping
- Pre-Planning
- Information Monitoring

**thank
you**
