RETAIL INDUSTRY LEADERS ASSOCIATION
WHO WE ARE

The Retail Industry Leaders Association (RILA) is the US trade association for retailers that have earned leadership status by virtue of their sales volume, innovation or aspiration. We convene decision-makers to collaborate and gain from each other's experience. We advance the industry through public-policy advocacy and education. And through research and thought leadership, we propel developments that foster both economic growth and sustainability. Our aim is bold but simple: To reimagine and transform the retail ecosystem — and equip leading retailers to succeed in it.

As the retail industry's advocate in Washington, RILA is a trusted source dedicated to telling the retail industry's story and informing lawmakers of the impact and consequences of the decisions they make. On the retail operations side, RILA provides a forum where members can conduct discussions aimed at understanding common operational practices, areas of concern and pragmatic solutions to problems. And our educational events are second to none.

RILA is structured to focus on core areas where retailers can network to make a difference.

- Asset Protection
- Finance
- Human Resources
- Legal & Compliance
- Public Policy & Advocacy
- Supply Chain
- Sustainability & Energy
- Technology & Innovation

WHAT WE BELIEVE:

- Retail is vital.
- Retail is ever-evolving.
- The customer experience is as important as the transaction.
- Collaboration makes retailers better competitors.
- We are our members.

“My experience serving on RILA’s board to date has shown me what incredible things our industry can accomplish when we work together on a shared vision for retail. As chair, I’m thrilled to be able to continue working so closely with fellow leaders to build upon our successes and help shape the future of our industry”
