WHO WE ARE

The Retail Industry Leaders Association (RILA) is the US trade association for retailers that have earned leadership status by virtue of their sales volume, innovation or aspiration. We convene decision-makers to collaborate and gain from each other’s experience. We advance the industry through public-policy advocacy and education. And through research and thought leadership, we propel developments that foster both economic growth and sustainability. Our aim is bold but simple: to elevate a dynamic industry by transforming the environment in which retailers operate.

As the retail industry’s advocate in Washington, RILA is a trusted source dedicated to telling the retail industry’s story and informing lawmakers of the impact and consequences of the decisions they make. On the retail operations side, RILA provides a forum where members can conduct discussions aimed at understanding common operational practices, areas of concern and pragmatic solutions to problems. And our educational events are second to none.

RILA is structured to focus on core areas where retailers can network to make a difference.

WHAT WE BELIEVE:

- Retail is vital.
- Retail is ever-evolving.
- The customer experience is as important as the transaction.
- Collaboration makes retailers better competitors.
- We are our members.

“Learning from each other has been one of our greatest strengths as an industry. We’re all competitors in one form or another, but it’s the moments of common purpose and collaboration that truly allow us to do great things as an industry.”

— Richard Johnson, President & Chief Executive Officer, Foot Locker, Inc.

Dues payments to trade associations, such as RILA, are generally deductible as an ordinary business expense for federal income tax purposes. However, under the Omnibus Budget Reconciliation Act of 1993, such income tax deduction is denied for the portion of your dues attributable to expenses incurred for the purpose of lobbying or intervening in an election. RILA estimates that 65% of your dues will be attributable to lobbying expenses. Therefore, 65% of these dues are non-deductible for federal income tax purposes.
WHO WE ARE
